THOMAS F. DUFFY

SENIOR VICE PRESIDENT, OPERATIONS
AND SECURITY, CENTER FOR INTERNET
SECURITY (CIS)

Tom is the Senior Vice President, Operations and Security, and the Chair of the Multi-State Information Sharing and Analysis Center, at the Center for Internet Security (CIS). The MS-ISAC has been designated by DHS as the focal point for cyber threat prevention, protection, response and recovery for the nation's state, local, territorial and tribal (SLTT) governments. He provides leadership in developing program, organizational and financial strategies and priorities. He works closely with the SLTT officials across the country as well as the U.S. Department of Homeland Security (DHS).

BRIAN SANVIDGE

CIG, CFE, PRINCIPAL, LEADER OF REGULATORY COMPLIANCE AND INVESTIGATIONS, ANCHIN
Brian has more than 30 years of experience advising on fraud, forensic investigations and providing litigation support to his many public and private sector clients. He is a recognized expert who knows how to uncover defensible information with skilled forensic accounting practices, including data analysis and computer forensic techniques. He is often called upon as an expert witness in fraud and financial crime cases before state and federal courts, as well as in dispute resolution cases. Brian lectures nationally on labor law, business fraud, white collar crime and tax fraud, as well as regulatory compliance, government investigations and internal audits and controls.
